G.O.Rt.No.56 Dated:25-04-2022.

O R D E R:

Government is committed to provide reliable power supply to consumers and free power to Agriculture sector. Due to shortage of coal supplies to the Thermal Plants has led to the Power Shortage in the country. Several State have less than 2 to 5 days of rolling coal stock on an average. Several Thermal Power Plants across the country have sharply curbed power production due to shortage of Coal availability. Apart from Andhra Pradesh, many States have already been facing power shortage and soaring global prices of coal have touched a record high.

2. Government of Andhra Pradesh is making all efforts on sustainable basis to overcome present scenario and bring normalcy in Power Supply to Industries as well. In order to putting every possible effort to overcome the power shortage that was triggered due to coal shortage, Government after careful examination have decided to constitute a Core Management Team with the following composition to mitigate the current Power shortage in the State:

01.Secretary to Government, Energy Dept - Chairman

02.Member-Convenor, APPCC - Member-Convenor

03.Director(Coal), APGENCO - Member

04. CMD, APSPDCL, Tirupati -Member

05.Director(Grid), APTRANSCO -Member

06.Director(Finance), APTRANSCO -Member

3. The functions of the said Committee are as follows:

- To continuously interact with Singareni Colleries and Mahanadi Coal Fields for regular supply of Coal as per FSA.
- To interact with Ministry of Coal, GoI, Ministry of Power, GoI and Ministry of Railways, GoI to obtain rakes and resolve constraints in coal transportation.
- To continuously interact with Finance department, GoAP for obtaining funds.
- Ensure adequate/sufficient coal supplies to thermal power stations.
- Co-ordination with State Government, Power Utilities and Govt. of India.
